

## ARIZONA HAPPENINGS.

Mr. Arturo M. Elias, of Graham county, a young man well known all over the territory, has been appointed to the position of Mexican consul for Tucson. Mr. Elias is at present clerk to the Board of Supervisors of Graham county.

Up to Sunday 53 standard gauge cars loaded with coke from Pennsylvania had arrived at Jerome Junction for the United Verde Copper company, with many more on the road. It looks now as if coke famines in Jerome were a thing of the past.

The United Verde of Jerome has paid its third dividend for the year—\$225,000. The total dividends for the year amounted to \$2,250,000 notwithstanding the fact that the mine has been hampered with strikes, shut-downs and stoppages of all characters, which have been very annoying.

The Santa Fe company has just had 500 new freight cars built for service on the S. F., P. & P. railroad. The cars all have the name of the local road printed on their sides, and in addition have the Santa Fe trade mark on them. They are from thirty to forty tons capacity each. This makes about 600 cars of this kind now on the road.

Under Sheriff Pollard Pierson left Monday for Yuma with three prisoners, convicted at the present term of the district court—Prospero Encinas, sentenced to serve a term of three years in the territorial prison for assault with a deadly weapon; S. C. Scott, sentenced to one year for burglary, and Kaufman, an Indian, ten months from July 9, 1903, for manslaughter.

The man who came to Bisbee several days ago with the avowed purpose of organizing a miners' union in the camp has come to the conclusion that a union is not wanted there by the miners or anybody else. It would be hard to imagine any benefit which could come from such an organization in Bisbee where the condition of the laborers are better than in any other camp in the southwest.—International American.

The formal transfer of the Prescott & Eastern, Phoenix & Eastern and the Bradshaw mountain railroad to the Santa Fe company was announced from New York a few days since. The proceeds of the recent \$10,000,000 issue of bonds, sold to J. P. Morgan & company will be used in the completion of the Belen cutoff in New Mexico, and in completing the Bradshaw mountain and Phoenix & Eastern lines.—Journal-Miner.

Mrs. J. W. Bayliss died at her home in Gallup, N. M., Monday evening. She had been a resident of that place for eighteen years and was highly esteemed for her many virtues. The body was taken to her old home at Lomax, Ill., for interment. A husband, three daughters and a son survive her, namely, Mrs. George Barney of Williams, Ariz., Miss Jennie Bayliss of Williams, Miss Edith Bayliss and William Bayliss of Gallup.

A meeting of the ranchers of Beaver creek was held in this city last night to see if the water case could not be compromised out of court. The water question was discussed in all its different phases and an apportionment of the water of Beaver creek was made out and was agreed to by everyone except one, who is the plaintiff in

the suit. It seems that nothing short of taking the matter into court will effect an adjustment of the complication, and that may prove to be an expensive choice.—Journal-Miner.

## Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of cough, croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. Dr. Armstrong of Delia, Tex., prescribes it daily and says there is no better cough remedy made. Sold by D. J. Brannen.

## A Fertile Region.

The Mohawk valley, Yuma county, is a wonderfully fertile region. In proof of this assertion the Sun says that five years ago George Norton sowed a field of barley, cut it for hay the same season and has continued to cut from three to four tons per acre every season since. Of the five crops cut, four of them have been volunteer, and as the barley was in no case allowed to ripen the volunteer crops undoubtedly came from the original roots. If it can be shown that the roots of the original sowing continue to retain their life and vitality from one year to the other, as Mr. Norton says it does, it will be something in agriculture never before heard of.

## To the Public.

Felt paper on your room is equal to plastering, is much cheaper and more durable. I am the originator of the felting process and use a special paste which is free from objectionable odor. My imitators not knowing what to use resort to the use of ill smelling paste and glue. The felt to be of service must be put on right and I am the only paper hanger in the city that will guarantee my work.

J. BACKMAN.

## HEALTH

"I don't think we could keep house without Thedford's Black-Draught. We have used it in the family for over two years with the best of results. I have not had a doctor in the house for that length of time. It is a doctor in itself and always ready to make a person well and happy."—JAMES HALL, Jacksonville, Ill.

Because this great medicine relieves stomach pains, frees the constipated bowels and invigorates the torpid liver and weakened kidneys

## No Doctor

is necessary in the home where Thedford's Black-Draught is kept. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. Thedford's Black-Draught cures biliousness, dyspepsia, colds, chills and fever, bad blood, headaches, diarrhoea, constipation, colic and almost every other ailment because the stomach, bowels, liver and kidneys so nearly control the health.

BLACK-  
DRAUGHT**

## ORDINANCE No. 87.

## An Ordinance Levying An Annual Street Tax.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE TOWN OF FLAGSTAFF AS FOLLOWS:

Section 1. Each male inhabitant of the Town of Flagstaff, residing within the corporate limits of said town, whether a citizen of the United States or an alien over twenty-one and under fifty years of age except active members of the Flagstaff Fire Department who have been duly certified as such active firemen by the Chief of Fire Department, members of the National Guard of Arizona, Arizona Rangers, paupers, insane persons and Indians not taxed, shall be liable and required to pay an annual street tax to the Town of Flagstaff of Two Dollars (\$2.00), and shall pay the same to the Town Tax Collector upon demand between the first day of January and the third Monday in December of each year; provided, however that in the case of his neglect to pay such street tax within the time specified, or the failure of the Town Tax Collector to demand or collect the same within the time specified, he shall be liable and required to pay such street tax at any time thereafter during the balance of the year.

Sec. 2. Such street tax may be paid either in cash, or by the performance of one day's labor on the streets of Flagstaff under the direction of the Supervisor of Streets, and all money collected under the provisions hereof shall be immediately turned over to the Town Treasurer, and shall be used for the improvement of the streets and sidewalks only.

Sec. 3. No person liable to pay such street tax shall be deemed or held to have paid the same for the year in which said street tax is demanded, unless he produce and exhibit a receipt therefor issued from the office of some regularly acting street or road tax collector within this Territory; provided, however, that he may be allowed, if such receipt has been lost, to produce evidence of having paid his street tax for that year in some other town or County of this Territory.

Sec. 4. The tax collector shall, on or before the first Monday in March of each year prepare an alphabetical list of all the male inhabitants liable to pay a street tax to the town of Flagstaff, and at any time within sixty (60) days thereafter, he shall give at least ten (10) days' notice, in writing, by mail or to be delivered to each said persons, that such street tax is due and that the same must be paid as herein provided, not later than 10 days after the service or mailing of such notice. Said list shall be returned to the Common Council at its first regular meeting in March of each year.

Sec. 5. On the third Monday in December of each year the tax collector shall make a report in writing to the Common Council, showing the total amount of street tax collected, the names of the persons who have paid it, with the treasurer's receipt for money turned over to him by the tax collector. The report shall also show what persons have paid their street tax by labor, and the names of such persons who are delinquent, if any.

Sec. 6. To enforce the collection of street taxes, the tax collector may seize so much of every, or any species of property, right, title, claim to, or credit of, any person not the owner of real estate in the town of Flagstaff and liable to, and refusing to pay his street tax when demanded by the tax collector, as will be sufficient to pay such street tax and costs of seizure and sale, and may proceed to sell the same at any time in front of the town hall in Flagstaff, Arizona, upon giving verbal or written notice at least five hours previous to such sale and deducting the street tax for which the property was sold and the necessary fees and costs of sale, and shall return the balance of such proceeds, if any there be, to the owner of the property so seized. A delivery of the possession of the property sold by the tax collector to any purchaser, together with his certificate of sale, shall constitute a sufficient title to the purchaser, against any claimant whatsoever. The tax collector shall receive the sum of four dollars for making the seizure and sale as provided for in this section, to be retained by him out of the proceeds of the sale of property seized and sold under this ordinance.

Sec. 7. If any person, assessed for a property tax, has not paid a street tax due from him, or for which he is liable, such amount of street tax shall be entered on the property tax roll, and charged to the real property of the person owning such street tax if he have real property; but, if he have no town real property, it shall be charged to his personal property, and shall be a lien on such real or personal property, to be collected as a part of the taxes due thereon, in any year to the town of Flagstaff.

Sec. 8. All ordinances and parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

Sec. 9. This ordinance shall take effect and be in force from and after the first day of January, A. D., 1904.

Passed by the Mayor and Common Council of the town of Flagstaff this day of December 21, 1903. Presented to the Mayor for his signature and approval and by him signed and approved this 21st day of December, A. D., 1903.

T. E. POLLOCK,

Mayor of the Town of Flagstaff.

Attest:

L. W. QUINLAN, Town Clerk.
